

INTERFAITH PRAYER

**Creator God,
You have entrusted these islands of Fiji to
us, your people. We give you thanks for the
contribution**

**That all our forebears have made
To bring us to where we are today
We seek your blessings on all our hopes
And all our plans for the future.**

**Bless those who lead us
And guide them with your wisdom.**

**Bless all the people of Fiji
We come from different backgrounds
Cultures and religions
Increase our understanding
And our respect for each other
As we strive for unity, harmony and peace
Bless our children,
They are our hopes for the future.
Be with us all day by day as time unfolds.**
