

St Thomas Aquinas Primary School: School Partnership Visitation – 11th July, 2025

On **Friday, 11th July 2025**, the JPIC Ministry visited **St Thomas Aquinas Primary School** to deliver *Laudato Si'* sessions to **Classes 6, 7, and 8**. Students reflected on environmental care as a faith-driven responsibility, especially in light of recent bushfires in nearby Togalevu. The session included reflection activities, a Q&A, and marked the start of a growing partnership between the school and the JPIC Ministry.

As part of the session, students were engaged in a reflective activity, contributing their own ideas on how they can actively care for and protect our common home.
